

THE
PATRIOT

What is fun loving, mountain leaping,
rattish, almost intelligent, a sci-
fi fan, queen, and has 2 brains -
one in each glutens maximus half?
~~Nope!~~ Nope! Not Garrilo Prinzips, not
Targan, not even Shlob, but Joe
Matulich! seriously Joe, I hope you
not. (because you're better than me?)
Hope you die slowly and painfully
writing a science fiction story.

sincerely,
Targan, Nkima, Gollum
and Eric the Kangdorfer

This is the property of the ~~the~~ semi-human creature known as Ratman, the Ripper,
Epimethius, **ASIMOV II**, Rabbit, and (Isaac). Anyone ~~is~~ caught trespassing
by walking, stepping, or drooling on this book shall be attacked ^{by} all ~~is~~ of me. -

J.P. Matulich

Natman,
well I guess
you're the nicest
I've ever known
at I've got to
have a good summer
and don't eat too much!

FRED J. PAGE SCHOOL

... the red, white, and blue is moving on through
the confusion of September to the serenity of May.

COLLEGE GROVE HIGH SCHOOL

FRED J. PAGE HIGH SCHOOL

1975

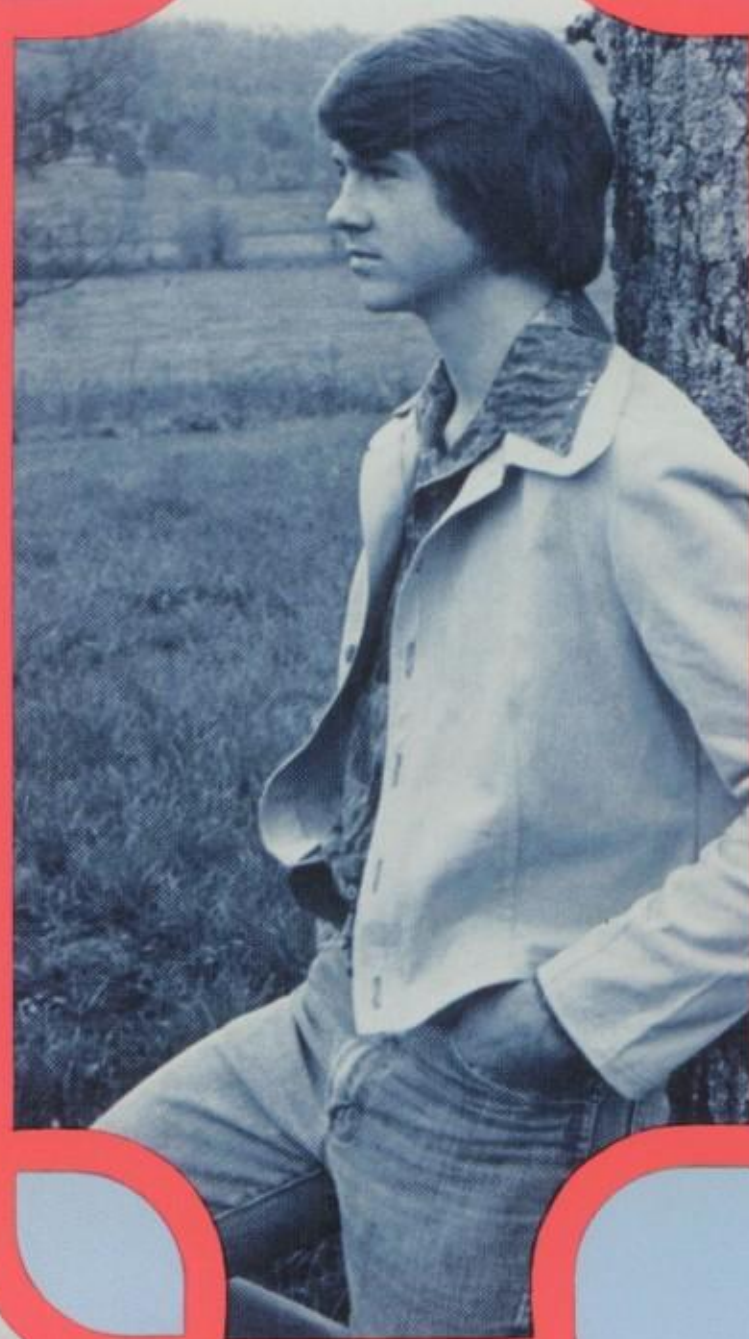

FROM THE CONFUSION OF SEPTEMBER . . .

SENIORS . . .

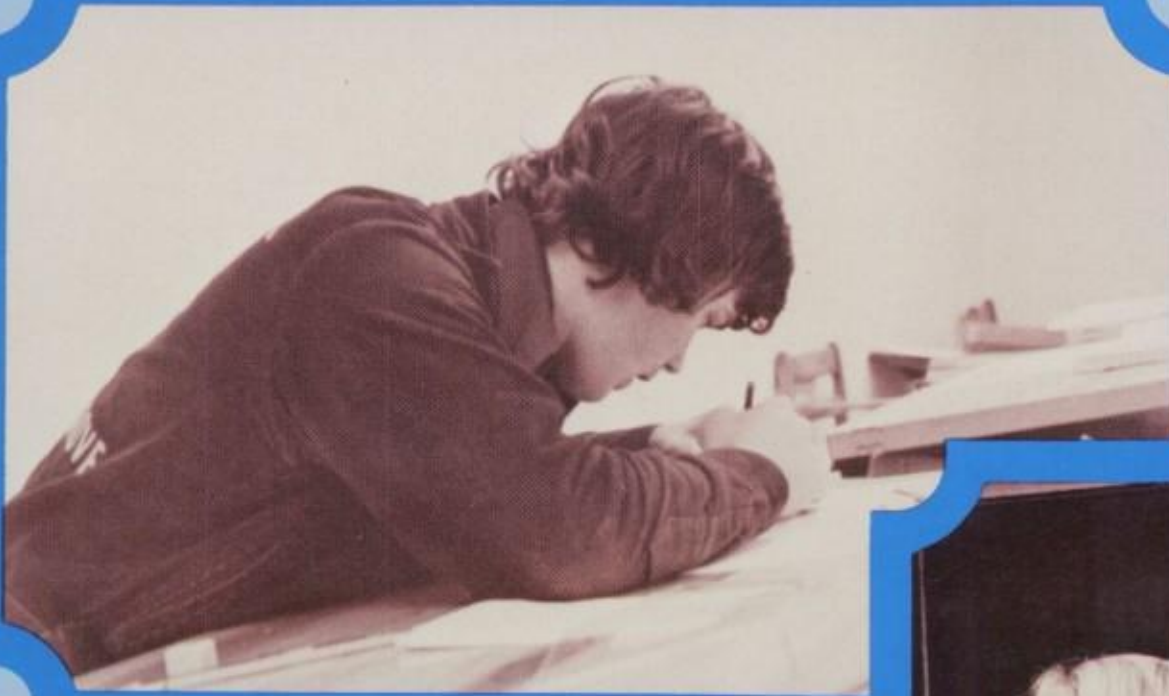

. . . you've come to that final year in high school, now, what next? What road will you choose? The road to employment forever or the road that gives you more education. It's your decision!!

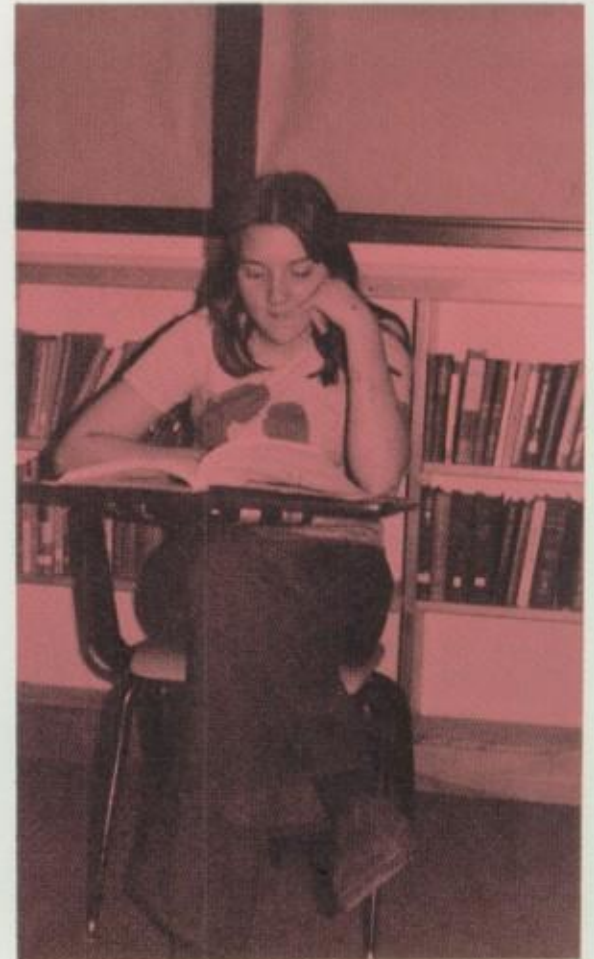

For you upcoming students--remember you'll be making that decision before too long, also!

I believe you understand what you think
I said, but I am not sure you realize that
what you heard is not what I meant.

RECIPE FOR

1 cup of self-rising confusion
2 1/2 cups of plain studying
3 cups of pure friendship
4 1/2 cups of an unfinished school
1 teaspoon of minor accidents
a dash of goofing off

PAGE SCHOOL

Blend well, pour mixture in a large mold. Let it set for 1 year. Should serve approximately 1,000 students.

I pledge allegiance to the flag of
the United States of America and to
the republic for which it stands, one
nation under God, indivisible, with
liberty and justice for all.

FRED J. PAGE SCHOOL was dedicated NOVEMBER 9, 1975

UPPER RIGHT: Senior High Chorus
Directed by Mrs. Jackie Hatcher

BELOW: Judge Wilburn Kelley

LOWER LEFT: Portion of the guests
who attended the dedication.

LOWER RIGHT: Mr. Jerry Farley

PEDRO MOLINA

Pedro is a senior from Mérida, Yucatán. As an 18 year old, he enjoys sports. Pedro has a green belt in Karate and won 4th place in his style in all of Mexico last year. He also held the highest record for homeruns and triples in his baseball team's league last year. Pedro has 3 sisters and 4 brothers and is now living with Mr. and Mrs. Scott Grigsby on Gosey Hill Road. He plans to remain in the United States and eventually attend Medical School.

FELIX FERNÁNDEZ

Felix is a freshman from Caribe, Venezuela. He was a member of the baseball and soccer teams there. Felix collects stamps and enjoys drawing. Since he has been in the United States, he has grown to love country music and likes Opryland very much. Felix is now living with Mr. and Mrs. M.O. Johnson of College Grove. He wants to finish his education in the United States and return to Venezuela to teach.

From all ends, we come,
 to join in the circle,
 together to seek,
 to grasp,
 to understand,
 to conquer,
 and to learn, about ourselves,
 and the world.

For we, as the sophomores of '76,
 are not only studying history,
 we're making it!

IN MEMORY OF WENDELL BURKE

Crossing The Bar

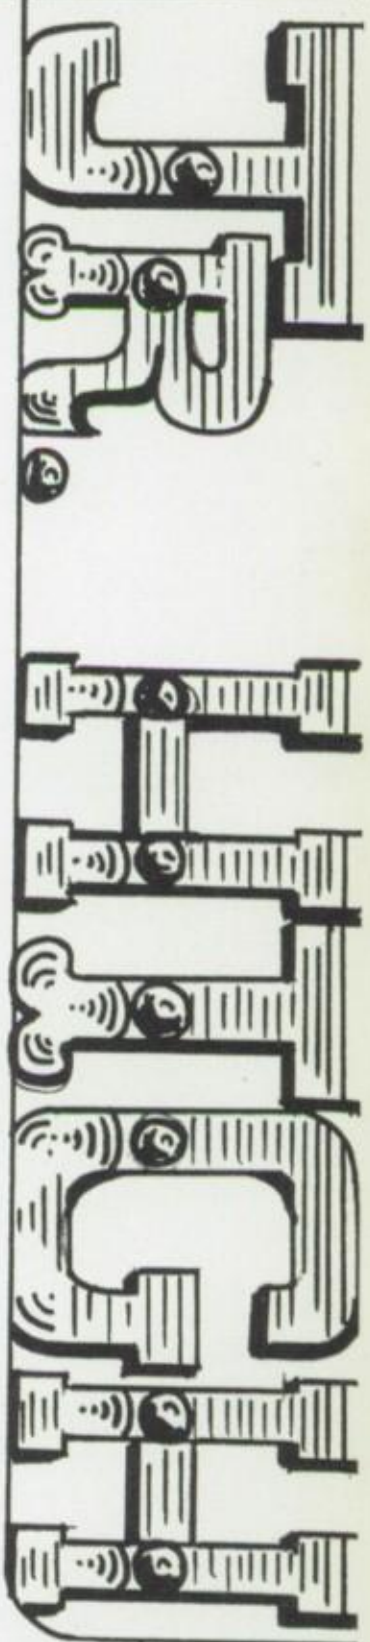

Sunset and evening star,
And one clear call for me!
And may there be no moaning
of the bar,
When I put out to sea.

But such a tide as moving
seems asleep,
Too full for sound and foam,
When that which drew from
out the boundless deep
Turns again home.

Twilight and evening bell,
And after that the dark!
And may there be no sadness
of farewell,
When I embark.

For though from out our bourne
of Time and Place
The flood may bear me far,
I hope to see my Pilot face
to face
When I have crossed the bar.

As THE BAND Program grows, it will become increasingly evident that the student who is looking for something more, the student who has more to offer, will find fulfillment in the band. I can think of no one who doesn't enjoy and appreciate music in some form. Music truly is the Universal Language; The High School Band is one of it's most important vehicles.

THE SERENITY OF MAY ...

Cooks from left to right are: Mary Waller, Mary Glenn, Mary Poteete, Josephine Stephens, Doris Robertson, Linda Sledge, and Margaret Marlin

The busdrivers at Page have a lot of responsibility placed on them and they need our help in order to be able to handle that responsibility. The lives of the students are in their hands, in most cases, twice a day. So why not chip in and help them protect us, by observing the traffic rules when you are around the buses. Is that much to ask?

LEFT: Joanne Petty, who is the replacement for Mr. Upchurch.

RIGHT: Elizabeth Price, a student teacher for Miss Bishop's Civics class. Miss Price is attending Middle Tennessee State University. Page students want to wish her all the luck in her future career.

Custodians from left to right are: Betty Able, and Lorene Stanfield.

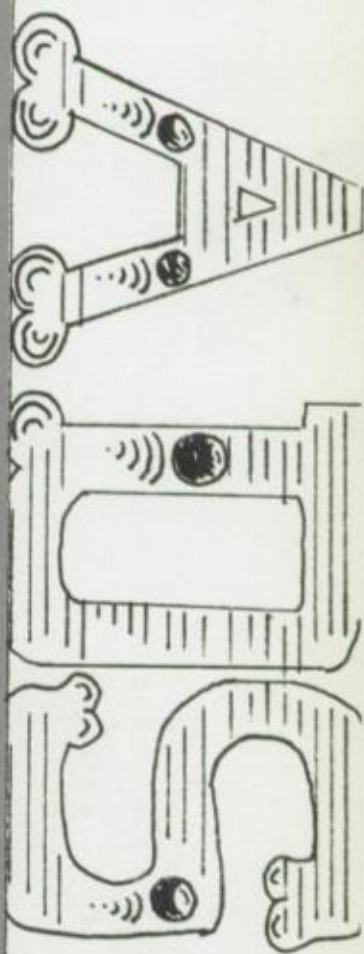

Even though the night custodians are not pictured, we can still tell they have been busy by the order of the buildings in the mornings when we arrive.

Cashiers FROM LEFT TO RIGHT: Jeanette Whitehead and Marlene Martin

RIGHT LOWER PHOTO: Dana Geel

Did it matter that this was the year of all those long days at school?
 . . . a funny look from Mr. Greathouse when you hand him an excuse that you know won't hold up under another reading?
 . . . sitting in class with your friends and "somehow" passing every test?
 . . . another headache for Miss Coleman and Mrs. Covington at annual deadline time?
 . . . learning all those cheers at practice and forgetting all but one by the time you get home?
 . . . trying to explain she was talking to you and not you talking to her?
 . . . falling flat on your face after you "trip" on the stage?
 . . . learning all that stuff about Shakespeare that you thought you would never learn?
 . . . searching for someone and finding yourself?
 . . . nearly suffocating in a gym that turned out to be too little?
 . . . finally getting to be called a "Senior"?
 . . . a forgotten moment?
 . . . an everlasting memory?
 . . . having to sit in a study hall and be quiet when you're dying to tell your friends the latest news?
 . . . getting used to the idea of yelling "Go, Patriots" instead of something else?

. . . a beginning?

. . . an end?

. . . being only halfway there?

. . . Yea, it mattered.

Annual Staff members who attended Annual Camp at Austin Peay State University were: Denise Reed, Pam Stephens, Tammy Bennett, Connie Morgan, and Debbie Hughes.

This is a little saying for anyone who plans to join the annual staff next year. "Nothing is as easy as it looks. Everything takes longer than you expect, And if anything can go wrong-- It Will! At the worse possible moment."

THE ANNUAL STAFF

Epilogue

We, the annual staff, would like to thank everyone involved with the compiling of the first Page Yearbook. Our thanks go to Miss Jane and Miss Coleman, who helped us through it all, the King Brothers for all their journey's to Page, Dickerson Studios for all their photos, Mrs. Wallace and Mrs. Hastings for all the times we bothered them, Mr. Greathouse and Mr. Waters for just being there, the faculty who could have killed us for interrupting their classes (but what is a class without interruptions), and all the student body for their co-operation. I'm sure there are more people who we haven't listed individually but all in all we appreciate your help.

Now to you we leave "The Patriot." We hope that it will continue and grow as our school ages. The Annual Staff of "76" gladly retires our pen and paper to the "Patriot" Staff of "77".

Joe,
You have
more what would
have been very boring
classes seem like madhouse
Good luck in the upcoming
year and with your writing.

P.S. As you take
write remember this -
necessarily something to
be ashamed of - but do it
in private & wash your
hands afterward.

Dear Joe, (alias Batman)

Once I got to know you

I found out that you

really were as weird as

I always thought you were.

But anyway, I like you in

spite of it (maybe because of it)

I enjoyed working on the play

and being in Physics with you.

Physics class has really been

a lot of fun. I hope that you

will always keep your personality

the way it is now. I know you will

be a success with your mind and try

not to forget all the great people

you met at Page!!

Love,

Amy Smotherman

Amel

Joe,
you've got to
be one of the most
"interesting" people I
know!! Also, though, you're
definitely one of the sweetest
and nicest. You've really got
lots going for ya and I can't
wait to see what you make out
of your life. Lots of luck after school -
I'm gonna miss ya!

Jessie

Dear Joe,
I have really
enjoyed being in
English with you this
year. You can be a very
nice person when you
want to be. Good luck
in all you do.
Love,
Cicky

Joe,
1 score ~~and~~ 3

years ago a grave mistake was born. It died at birth and grew up to be Joe Matulich. Somehow he became a genius and everyone liked him... well, almost everyone... OK! OK! 3 people liked him. They were weird too. Since this is your last year, it probably is going to the last 6 weeks that will see each other very much; but as a friend, you can't be beat, so good luck. You've got brains and something about you that will make you go far in life. Above all... have a hell of a Good time! Your weird friend,

Joe,
It has been fun going to school with you this year. At the first of the year I thought that you were really weird but then I realized that you were just really smart. I have really enjoyed knowing you, and Physics has been fun, even if you all did know everything, and I just sat there looking dumb. You are a nice boy and you deserve the best of luck always. I know you will go far.
Love, Helen

Joseph,
I'm sure that one day you'll make a person and have an ability to act. I enjoyed the cast party at your house. I'm sure you'll go far in life and I wish you the very best.
